The DIMMER VIEW

by Max Goodwin

A Dog-Gone Shame

When a caller states "you won't believe this!" the inclination is to take his word.

The caller was a local business to report a trash problem that has been growing acutely in this community. Someone, he said, was co-mingling his trash with that of the caller. The objective, presumably, was to save trash pickup costs.

In any event, a few minutes later we were on the scene talking with Leonard Ritenour, co-owner of Russell's Plumbing on Broadway in Lemon Grove. He was pointing to a couple of green plastic bags, split open, with the contents windblown along the alley behind his shop.

For several weeks the situation has existed, Ritenour declared. Finally, last week, Ritenour retrieved several envelopes from the trash addressed to an apartment dweller across the alley on Lester ave. He confronted the addressee who denied placing trash on the business firm's property some 300 feet away. "Well, how do you suppose it got there, then?" Ritenour demanded. "A dog could have carried it over," the neighbor answered.

Sensing no progress, Ritenour appealed to the Fire Department for relief. Loose trash contributes to hazard of fire the Department opined and day or so later Fire Marshal Ray Cormody was dispatched to the scene. Again the neighbor disclaimed responsibility. "Then how do you think your trash got over there?" the marshal demanded. "I guess a dog could have carried it over," was the answer.

Marshal Carmody started wheels turning for a "cease and desist" order.

But before it could be delivered, the culprit was found.

Ritenour, leaving his shop for home one evening about dark last week, decided to drive around the block hoping to catch the trash depositor. All was quiet on the apartment side of Lester.

But across the street nearing Russell's trash containers was "a big spotted dog tugging a plastic bag full of trash!"

Ritenour appeared dazed in disbelief for a couple of days. Robert Russell, co-owner of the business attests to the factuality of the report. Marshal Carmody, claims he has clues as to the ownership of the trash-moving dog and is tracking him down.

Reporters however, are wishy-washy. This one is not certain whether his faith in people has been lost or restored.

An Apt Turned Phrase

From time to time an apt turn of a phrase lingers in the mind of a reader.

During recent weeks these have hung on longer than most: Paraphrased from James Meade's column in the San Diego Union near St. Patrick's Day—regarding the San Diego showing of a movie made in Ireland:

If it's so great to be Irish, why do they only have one day a year?

From the Hollywood Turf Club's Year Book, under the editorship of Bob Benoit in a piece titled "The Tax Man — Far in Front":

Racing holds top spot in surveys of spectator sports attendance. No survey is needed to disclose that with the State taxpayer, the feeling in pari mutuel.

Lemon Grove Nude Dance Test Slated

SAN DIEGO (CNA) — The constitutionality of a county ordinance which prohibits nude dances is being questioned in a Superior Court suit filed Thursday in Superior Court by a Lemon Grove operator whose "nudie night spot" has been closed by Sheriff's deputies.

Jerome Lafreniere, operator of the Naughty Spot, 7268 Broadway, Lemon Grove, a place formerly known as The Bikini, also asked for an injunction to prevent Sheriff John Duffy from enforcing the ordinance until its constitutionality has been established by court ruling.

A hearing on the injunction plea is set for 1:45 p.m., May

Parade Events 'Doing Nicely' In Old Time Days Roundup

The parade is "shaping up nicely," Robert Mastney, Old Time Days Parade chairman told the committee at a meeting this week. Old Time Days will be May 20-22 with the parade on May 22.

Three sets of clowns, five bands and about 50 entries of one sort or another have already returned application blanks, he said. 127 applications were sent out leaving more than 75 to be heard from.

"We are well ahead of last year at the same time," Mastney said.

Emphasis was placed on several OTD projects by Chairman Jim Dorman. He urged the distribution of bumper stickers and sale of OTD badges which are on display at most local shops. He also directed his committee to put the finishing touches to the Old Time Days Kickoff Banquet scheduled for May 8 at the L.G. VFW Hall.

Jim Wilson, Kickoff Dinner Chairman, said there would be music, door prizes, entertainment and a barbecue beef/chicken dinner — all for $4. Cocktail hour is 6:30; dinner is at 7:30 he said.

Wilson said ticket sales were about the same as last year's sales two weeks before the event.

Tickets may be obtained from the office of the Lemon Grove Chamber of Commerce; from Bob Russell, chamber president at Russell's Plumbing, or from Jim Wilson at McMahon's Furniture store. They may also be obtained at the office of this newspaper.

Rain Total An Inch More Than in 1970

The week-end shower that deposited a quarter of an inch of rain on the Lemon Grove-Spring Valley area brought this season's total to 9.39 inches, according to Ed Hayman, the meteorologist at the local fire house.

This is almost exactly an inch more than was recorded by the same date last year.

Rain seasons are from July 1. Rain days end at 4 p.m.

LG Fire Report

The Lemon Grove Fire Department answered four fire calls this past week. The most serious was a fire in a piece of heavy equipment of the V. E. Posey Co., 1792 Dupont st. Cause was leaking gasoline, causing about $100 damage.

A motorcycle, belonging to Mike Stantin of 1625 Glencoe, burned at 8526 Troy, causing about $50 damage, caused by leaking gasoline.

A car belonging to D. M. Palmer, was damaged in the amount of about $150, caused by "hot wires." The incident was reported by the Sheriff's Dept.

The fourth fire call was a stopped-up chimney, which was out on arrival of men and equipment with no damage.

Burglar's Bicycle Getaway Foiled Here

SAN DIEGO (CNA) — A man who burglarized National City and Lemon Grove residences, and was caught while trying to make his escape riding a girl"s bicycle with a flat front tire, Thursday was ordered sent to state prison.

Manuel A. Comacho, who gave several false addresses, first broke into a National City home and was caught. He got out on $1,000 bail bond in December, 1970.

While at liberty, Comacho broke into the 8301 Lincoln ave., Lemon Grove, residence of Mrs. Kathranz (sic) Finnegan. She reported this to the sheriff's office, and Mrs. Jackson Ammons, of 2635 Washington st., Lemon Grove, reported the same day, Feb. 23, that somebody tried to break into her home.

Sheriff's deputies picked up Comacho peddling along on the girl's bike in the 8400 block of Golden ave.

The arrest report shows Comacho's arms bore needle marks, indicating drug use. He was taken to the county jail, where it was found he had failed to return for a hearing on his National City case and that a bench warrant with a bond of $26,250 had been issued for his arrest.

Comacho pleaded guilty Thursday to the National City burglary and the Lemon Grove chargers were dismissed "in furtherance of justice."

LG District Hears Report On Budget

The Lemon Grove School District Board of Trustees met Monday night and referred a matter to its insurance company and heard reports on the human relations program and the preliminary budget.

It was brought out at the meeting that the Lemon Grove School District was served notice of a claim for personal injuries on behalf of a minor filed in Superior Court.

The claim was on behalf of a student who was allegedly struck in the head with a ball while on a school playground. The claim states that surgery was required on the youngster.

The board referred the claim to the district's insurance carrie and notified the claimant.

Dr. Robert Sutton reported to the board on the district-sponsored human relations program which was conducted during the school years 1969-70 and 1970-71. Sutton's report described the success of the program and made recommendations for inclusion in the budget for next year.

Most of the discussion at the abbreviated meeting had to do with the presentation of the preliminary budget and a report from Paul Reynolds.

Reynolds told the board that the preliminary budget represented an increase over the current budget of about $97,000, due to such factors as reclassifications of employees, increased costs for insurance and supplies, and inflation.

Included in the budget, Rey-

Community 'Nibbling' Eyed By LG Planning Association

The Executive Committee of the Lemon Grove Planning Association got some practical experience in community planning Thursday when it was revealed that the City of San Diego had annexed 18 acres of County land near Encanto.

Under present regulations. notification to neighboring property owners is not required when the request is unanimous. The request was that of College Crest with one ownership and that made it unanimous. Such "nibbling" has been the practice at Lemon Grove's' boundaries for more than 10 years.

Attempts at incorporation were tried several years ago in an attempt to bring such practices under control.

Approval of the latest foray into the community was given by the Local Agency Formation Committee (LAFCO). LAFCO is made up of three supervisors including Harry Scheidle; the mayor of National City; a councilman of Vista and a public member. Lemon Grove residents were not informed, but machinery is now being set in motion so that such actions will be publicized after the Lemon Grove Master Plan has been adopted and approved, according to Clayne Munk, director of community planning for the county.

At Thursday's meeting, a rather comprehensive explanation of San Diego County assessing practices was made by W. H. Thompson of the County Assessor's staff. Members of the Committee kept Thompson on the floor nearly an hour answering questions. Most questions led to the big one: "How can we reduce taxes?" Thompson's answer was "Urge a reduction in government services."

James V. Dorman presided at last week's meeting.

The next meeting will be May 13 at the Golden Avenue Elementary school. All interested citizens are urged to attend.

Restrictive Horse Law Hearing Set

SAN DIEGO (CNA) — County supervisors on Tuesday set a hearing on an ordinance to control the keeping of large animals, especially horses, for July 14.

The ordinance would not allow horses on lots smaller than 10,000 square feet in areas exclusive of the buildings on the lot.

Horses would also not be allowed on a lot where there are more than 200 dwelling units within a quarter of a mile. Where development was uneven, for instance, because of a mobile home park, this condition could be waived by the county veterinarian.

The ordinance would also set rules for the location of the animals on a lot with one provision being that a horse could not be kept within 75 feet of a house on an adjacent lot.

Hardison's Telespanish

While traveling on a bus between Tijuana and Ensenada a person pointed out a sign which read "Sal Si Puedes" and commented "This must be a place where they mine salt." Is it true that "Sal Si Puedes" is a salt mining town in Baja California? What does this sign mean?

Your traveling friend was probably familiar with the dictionary version of the word "sal" which means "salt." It is true that "sal" means "salt" but it is also used as the command form of the verb "salir" (to leave) and is idiomatically translated "get out."

"Sal Si Puedes" means "Get out if you can." This is a typical name given to many small, poverty-stricken towns in Mexico and in the United States. The connotation of the name suggests that once one is in a poverty-striken area, it becomes very difficult to get out of it, thus the phrase title "Get out if you can."

"Sal Si Puedes" is the name given to a northern California city. Many poverty-stricken Mexican-Americans live there during the off-season from their agricultural filed work. It is the end of the migratory field worker's trail after completing field and harvest work from southern Arizona to the north-central part of California.

So important a name is "Sal Si Puedes" that the charismic agricultural leader, Cesar Shavez, suggested it as the title of a new book which explains his life struggle and movement to improve the working conditions and standard of living for thousands of Spanish speaking laborers in the United States.

Practice phrases listed below are easy to learn with the aid of the recorded voice that says them for you when you dial 276-2762 on the phone.

Let no one imagine that it is a strained and unnatural thing for one to pray. The contrary is much closer to the fact. It is for more unnatural for one not to pray. Prayer is one of the most natural of human instincts. Prayer is man's response to the divine will.

Light Opera Association, Youth Ballet Become Members Of COMBO

The San Diego Civic Light Opera Association, which produces Starlight Musicals at the Zoo, and the Civic Youth Ballet this month were admitted as members of COMBO, bringing to ten the number of cultural groups who will share COMBO funds in 1971.

The action was taken at a special COMBO board meeting at which Fielder K. Lutes, COMBO president, announced that COMBO has been established as an annual event.

Lutes said COMBO's 1971 auctions will be Dec. 10-11. The place will be announced later, he said. COMBO auctions were held in 1965, 1967, and 1970.

J. Dallas Clark, chairman of COMBO's admissions and allocations committee, proposed that the eight groups which shared COMBO funds in 1970 be named again as beneficiaries. They are San Diego Symphony Orchestra Association, San Diego Opera Guild, Old Globe Theatre, La Jolla Museum of Art, San Diego Ballet Association, San Diego Civic Youth Orchestra, Young Audiences, Incorporated, and San Diego Junior Theatre.

Clark's countywide committee is studying how COMBO funds should be allocated. Serving with Clark are J. Ray Baker of Escondido, Richard C. Adams of La Mesa, Mrs. Herman F. Froeb of La Jolla, John N. Williams of Bonita, and Rear Admiral Marshall White (USN Retired), Virgil V. Pedersen, T. M. Heggland, Frank Kockritz, Pauline des Granges, and Louis Wolfsheimer all of San Diego.

The COMBO board will meet later this month to vote on specific allocations.

The Civic Light Opera Association has produced summer musicals in San Diego since 1945. Bruce R. Farley is president of the association. Three musicals are scheduled at the San Diego Zoo this summer.

The San Diego Civic Youth Ballet — also founded in 1945 — has a program of professional classes, lectures, and performances. Mrs. Donn DeMarce of El Cajon is president.

Last year, in its initial campaign as central fund-raising agent for eight cultural and educational organizations in San Diego county, COMBO raised $600,000 on a goal of $500,000, Lutes said.

Lutes announced COMBO's goal for 1971 $750,000.

We've streamlined your statement. We've cut out the clutter and made other helpful innovations.

So now you can balance your checkbook quickly and easily. We call it the Timesaver Statement.

1. We're listing the checks on your statement in the order in which you wrote them.

2. You can tell at a glance which checks haven't come in yet. We mark the gaps in your check numbers with an asterisk.

3. We're also listing the checks vertically. Which is the natural way to read figures.

4. And to simplify things still more, we show the only balances you really need — this month's and last month's.

Bank of America is the only bank that makes this statement. No other bank has it. If you like it, ask for it when you buy your checks.

The whole thing's so simple, sometimes we wonder why we didn't do it sooner.

If you're not a customer of ours, wouldn't this be a good time to join the 20th century?

'Volpone' To Open Thursday At Grossmont

The Griffin Players of Grossmont College will open Ben Jonson's "Volpone" at 8:30 p.m., next Thursday, in the Stagehouse Theatre. Additional performances will be presented at 8:30 p.m. on May 7, 8, 13, 14 and 15.

First produced at Oxford in 1605 and then at London's Globe Theatre in 1606, "Volpone" has become a literary classic. The Griffin Players' version of the play has been especially adapted to retain the theatrical flavor of the original and to enhance the entertainment value without becoming a "modern" version.

The underlying theme of "Colpone" is greed with this adaption concentrating on that aspect of the play. While Jonson used the words and symbols most familiar to his auaienres, the adaption will attempt to do the same for present-day audiences.

Directed by James W. Baker, the cast will include: "Volpone," Lee Ivascyn, of Lemon Grove; "Mosca," Phillip Battaglia; "Voltore," Thomas Morton; "Corbaccio," Dennis Akers; "Corvino," Patrick Rodgers; "Bonario," Erik Hanson; "Celia," Robin Johnson; "Peregrine," Charles Robbins; "Sir Politic Would-be," Daniel Davis; and "Lady Would-be," Monica Fegan, of Spring Valley.

Advisory Group Plans Luncheon

The Parent Advisory Committee of the Golden Avenue School Title I program is plannig a luncheon meeting May 7 to evaluate the effectiveness of this year's program.

The group will meet at Golden Avenue School and then have an opportunity to respond to a questionnaire designed to assess the program and it's effectiveness during the 1970-71 school year. In addition, the parent response will aid the Advisory Committee in planning the program for 1971-72.

Title I is one of the sections of the Elementary and Secondary Education Act of 1965. It is designed to provide in-depth instruction in language arts and mathematics for kindergarten through sixth grade for identified "target" students in the Golden Avenue attendance area.

Students from St. John of the Cross parochial school who are identified as "targets" are also included. Instruction includes daily exposure to a laboratory situation which concentrates on listening, reading, writing skills and mathematics.

The project consists of six components including, in addition to the reading and math, parent participation, auxiliary service, intergroup relations, and inservice training of all personnel.

In addition to evaluation of the program the purpose of the luncheon is to acquaint more parents with what is happening at school and to enlist their help in planning and providing Title I service for students, according to a spokesman for the committee.

SAFE AT THE PLATE — Andrea Corrao, of the Angellettes, comes home with the winning run as Nancy Ruddock can't get the ball around for the tag. Nancy's team, the Midgets, lost the game, 11-10, missing a chance to move into first place in the Lemon Grove Bobby Sox League standings.

Midgets Blow Chance For First Place in Bobby Sox Loop Play

The Quota Club Midgets missed their chance to move into undisputed possession of first place last Saturday when they lost an 11-10 heartbreaker to the Lemon Grove Boosters Angellettes in Lemon Grove Bobby Sox League play.

The Midgets, who won their opening game of the season to grab a tie for first place, lost the game in the seventh inning when Audrea Corrao was singled home by Janet Keogh for the winning run for the Angellettes.

In the only other major division game, the Associated Engineers Swingers took a 10-0 forfeit from the Severin Realty Orioles. Leading 20-0 in the top of the seventh frame, the Orioles were disqualified for an illegal substitution.

The win for the Swingers put them in a tie for first place with idle Lions Club Lionettes, both holding 1-0 records. Tied for third place are the Midgets and the Angellettes, with 1-1 marks, while the Skyline TV Gremlins and Orioles share fifth place, with 0-1 marks.

In minor league play, it was the Catholic Daughters Cherubs taking a 20-4 win over the Lemon Grove Orthodontics Smilers to gain a share of first place with the idle Lemon Grove Beauty College Stylists.

In the only other minor league game, the IAM Local Lodge No. 2215 Emeralds whipped the Nalco Plumbing Pipers, 10-5.

Highlights of the Cherubs-Smilers game included doubles by Theresa Dean, Susan Eruat and Sheri Newhall for the Cherubs, along with a four-inning pitching stint by Linda Morales in which she yielded only one run to aid the winners.

Susan Grantham pitched no-hit ball for three innings for the Emeralds as they whipped the Pipers, 10-5, and added a double to help herself to the win. Jo Anna Peterson belted a triple for the losers.

Saturday's action left the stylists and the Cherubs deadlocked for first place with 1-0 marks. The Emeralds and Lemon Grove Chrysler Plymouth Crickets share the third spot, while the Pipers and Smilers are knotted for fifth.

A full slate of action is on tap for this week, as the Lionettes and Midgets square off tomorrow at 5:30 p.m. and the Orioles play the Gremlins at noon Saturday. The Swingers and Midgets will do battle at 3 p.m. Saturday, and the Orioles and Midgets clash Monday at 5:30 p.m.

Other games next week in the major division include a game between the Lionettes and Gremlins Tuesday at 5:30 p.m. and an Oriole-Midget affair at 5:30 p.m. Wednesday.

In minor league action, the Stylists and Smilers will battle it out tomorrow at 5:30 p.m., while the Smilers take on the Crickets at noon Saturday and the Cherubs clash with the Pipers at 3 p.m.

Other minor league games include the Smilers against the Emeralds Monday at 5:30 p.m. and the Stylists versus the Crickets Tuesday at 5:30 p.m. On Wednesday, it's the Smilers squaring off against the Pipers.

All games are played on the Lemon Grove Bobby Sox Fields at Lemon Grove Junior High School.

Walker Scott, Dodgers Win Pair to Lead Loop

Walker Scott and the Dodgers, rated as two of the strongest teams in pre-season selecting, have jumped to a first week lead in Lemon Grove Little League Major activity. Both squads have 2-0 records.

The remaining three levels of competition, Intermediate, Minor and Clinic, began this week at Al Burke Field, 7550 Canton dr.

Walker Scott used good pitching and heavy hitting to knock off Imperial Meats twice 3-2 and 11-1. Dennis Sharmand garnered two hits in both games for the winners.

John Barrow had ten strikeouts in the first game while teammate Bobby Schneider twirled a one-hitter and struck out 15 in the second game victory.

The Dodgers, who finished last in 1970 play, polished off Lemon Grove Lath and Plaster, 2-0 and 6-5, to pull even with Walker Scott.

Tom Bolen hurled a three-hitter and fanned nine in the shutout effort while two runs in the first extra inning netted the second contest win. Rex Jenner homered in a losing second game performance for Imperial Meats and second baseman Gary Reinecke made a diving catch of a line drive to start a double play.

Food Basket and Mission Van and Storage both claimed a win and a tie to deadlock at 1-0-1. Food Basket nipped White Construction 3-2 on three fifth inning runs and then battled the same squad to a 2-2 standoff.

Mark Jacobsmeier tripled to drive in two runs and then scored the winning tally to overcome a 2-0 White Construction edge. He also pitched three hitless innings and picked up eight strikeouts.

Mission Storage banged out 11 hits in a 7-2 nod over Murphy Plumbing with Dave Terrell tossing a three-hitter and amassing 11 strikeouts. Mike Sperla with three hits paced the batting. In a repeat meeting, the teams ended at 8-8, in a game called due to darkness.

Golfers From 20 Nations Set For Tourney

Nearly 600 top-flight young players from 20 or more nations and 35 states are expected to be on hand Aug. 18-21, for the 4th annual Junior World Golf Championships.

The junior tournament is open to amateur players throughout the world, offering competition to boys and girls in four age divisions: 15-17, 13-14, 11-12 and 10-and-under.

In the two top age brackets, players must have certified scoring averages of 77 for boys 15-17, 92 for girls 15-17, 85 for boys 13-14, and 99 for girls 13-14.

"Even so, we will be forced to limit the number of entries in boys 15-17." John W. Brown, general chairman, said.

In 1970, with virtually no limitation on boys 15-17 entries, the Junior World drew 650 players from 20 nations and 28 states.

Entry blanks are available at Junior World Golf Championships, 4375 Temecula st., San Diego, Calif. 92107.

Mrs. A. S. Smith, tournament director, predicted a record entry list for girls 15-17. "We had 39 last year, our largest girls field ever, but we believe even more of the finest girl golfers in the world will play in the Junior World this August," she added.

Meet To Decide Champs

Miguel Favored To Win Crucial Meet Tomorrow

By John Nicholson

There's going to be a showdown just before sundown tomorrow night at Granite Hills High School.

The participants in the showdown will not be using six shooters, however; they will be using poles, starting blocks, and spikes as they test each other's strength.

The Mount Miguel Matadors, one of the participants, will be at Valley Stadium taking on the Granite Hills Eagles in the last dual meet of the Grossmont League track and field season.

The meet will start at 6 p.m. with the Matadors 10-point favorites to win and stay undefeated for the league title.

If Granite Hills should get the victory, the teams will share the title with 6-1 records.

Mount Miguel warmed up for the crucial encounter last Wednesday with a 113-23 win over Santana, while the Eagles, looking ahead, almost let their meet with Grossmont slip away, pulling it out on the last event to win, 72-63.

At Santana, the Matadors outclassed the last-place Sultans, winning first places in every event except the pole vault, and coming away with sweeps in six events.

Mount Miguel got 1-2-3 performances in the 100-yard dash, the 440, the two-mile, the 180-low hurdles, the discus, and the long jump, and won both relays.

The Spring Valley team boasted three double winners in Mike King, who took first in the shot put and the discus, Milton Johnson, who managed blue ribbons in the long jump and the 180-low hurdles, and Larry Tyer, who took top honors in the 100 and the 220.

The only Sultan who managed to break into the first place category was pole vaulter Bob Crull.

At Granite Hills, things were a bit more even. The Eagles fared reasonably well in the sprints, taking firsts in the 100, the 220, and the 440.

Grossmont, however, gave the Eagles trouble in the middle distance and distance events, grabbing firsts in the 880, the mile, and the two mile. Additionally, the Foothillers added firsts in the 120-high hurdles, the pole vault, the triple jump, the shot put, and the discus.

As the meet drew to its climax, Granite Hills held a thin 64-57 advantage, and was losing badly in the triple jump, the last field event, and had only the mile relay left to run.

The Eagles made quick work of the 'Hiller threat with a convincing victory in the mile relay, taking a 69-57 advantage. When the triple jump was completed, the score moved to 72-63.

Following is an event-by-event rundown of tomorrow's showdown meet at Granite Hills:

100 — Milton Johnson and Larry Tyer will join Granite Hills' Steve Goward with Johnson to win in very close event.

220 — Goward will get competition from Miguel's Tyer here, with Goward given the five points.

440 — Eagles' Tim Pizkin should beat Miguel's Dougherty.

880 — Miguel should take 1-2 with whoever is entered. Bob Morrison could run here instead of in mile for Matadors.

Mile — Mount Miguel again picked here with anybody to beat weak Eagle distance crew.

2-mile — Matadors should walk away with Joe Stubbs and Joe Badger leading the way over weak Eagle crew.

120-high hurdles — Miguel's Jerry Eubanks will get good competition, but should win.

180-low hurdles — Milton Johnson to win easily, Eubanks should get third.

440-relay — could be key to meet, too close to call.

Mile relay — another very close event, Miguel to win by less than .4 seconds.

Shot put — Mike King will lead Miguel sweep.

Discus — King should win here, but no sweep.

High Jump — John Slater to win for Matadors.

Pole Vault — Miguel to have edge, 6-3.

Long Jump — Jesse Cabrera to challenge Miguel's Burke, John Heimaster and Milt Johnson. Cabrera to win.

Triple Jump — Heimaster to win for Miguel in close event.

Mount Miguel should win meet with score near 77-59. Granite Hills' home advantage could bring a surprise.

Pads Start Homestand Tuesday Against Braves

For the San Diego Padres, happiness is the month of May.

Last May, the Padres won 15 of 32 games and their eight San Diego Stadium triumphs during the month is a high home mark.

The club's two-year May record is 26-33 and its road mark during the month is an impressive 16-15.

With May only a moment away, the Padres conclude their first spring eastern swing with a three-game series in Pittsburgh this weekend and return for some home swinging against Atlanta next Tuesday.

The bombastic Braves, Hank Aaron and Orlando Cepeda their chief warriors, appear on Tuesday, May 4, commencing at 7:30, and in Wednesday's first twi-night doubleheader that starts at 6 p.m.

Rounding out their eight-game home stand, the Padres engage the pennant-winning Cincinnati Reds on May 7, 8 and 9, and then conclude with the Pirates of Pittsburgh on May 11 and 12.

The popular Padre Helmet Night will be held Friday, May 7. All youngsters 15 and under who purchase a ticket to that game will receive a souvenir Padre batting helmet.

Tickets for the games with the Braves, for Helmet Night and for the remaining games scheduled during the home stand are now available at the Padres stadium ticket windows open daily at 10 a.m.

Tickets also may be purchased at Ticketron outlets located throughout San Diego County and telephone reservations for seats are being taken at 283-4494.

The Padres last season enjoyed great success against the three teams appearing next at San Diego Stadium.

They startled all baseball, and stung Cincinnati, by capturing 10 of 18 decisions from the Reds. The Padres were 9-9 against the Braves and 6-6 against the Pirates, themselves division winners.

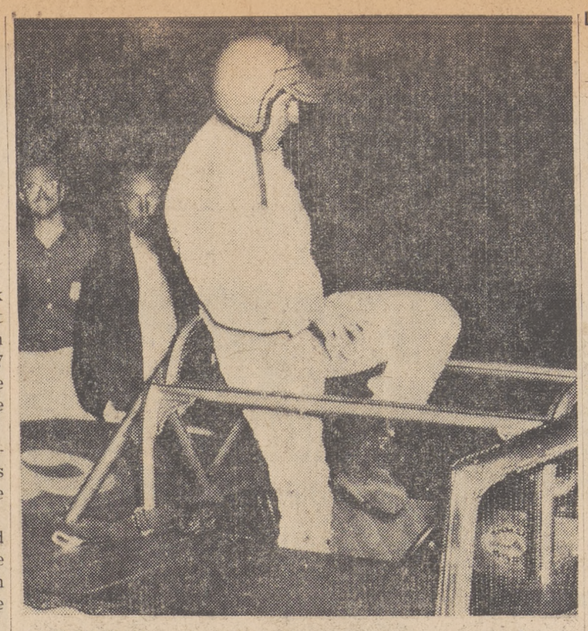
CAJON SPEEDWAY
FRI. — Super SPRINTS
SAT. — STOCKS—8 P.M.



VICTORIOUS — Jim Hitt, of Lemon Grove, as he climbs out of his racing machine after winning his first main event of the year at Cajon Speedway. With the win, Hitt claimed first place in the point standings.

Jim Hitt Grabs First Main Event Victory

Jim Hitt, of Lemon Grove, won his first main event of the new super stock season last Saturday night to move into first place in the Cajon Speedway point standings.

Hitt, who was in fourth place in points before winning the trophy dash, heat race and main event Saturday, started in the 11th position in the main event, but was leading the pack as the race reached its halfway point.

His victory in the four-lap trophy dash was a new track record for the distance. His time of 1:15.16 eclipsed his own record of 1:16.78 set earlier this year.

Hitt moved up to third place on the ninth lap, took second place on the twelfth lap, then passed early leader Dick Guest on the thirteenth round to take the lead for keeps.

The win for Hitt gave him a total of 490 points for the year, 75 more than second place John Dineen.

Other local drivers who did well at the speedway Saturday night included Pat McIntyre, of Spring Valley, who took third place to move into the sixth position in the standings with 310 points.

Defending points champion Ed Hale, of Lemon Grove, had troubles for the third consecutive week, spinning out on the thirteenth lap after moving up to fifth position from far back in the pack. Hale finished the race, but was near the back at the finish line.

In limited stock action, Harry Peterson, of Spring Valley, won his heat race and led from pole to pole in the main event to win his first ten-lapper.

Racing action gets underway again tomorrow night with the first of five scheduled Friday night programs, featuring super sprints and foreign stock races.

The regular Saturday night program will also be held.

Qualifying both nights will start at 6:30 p.m. and first events will start at 8 p.m.

Walt Sweeney Here

Professional football comes to the Lemon Grove Rotary club Monday when All-pro Walt Sweeney, Charger guard, presents Charger Highlights film. Sweeney has played 115 straight games earning himself the "iron man" designation. He made the All-pro team the third year in a row in 1970 and has been all-star choice since 1964.

The meeting is at the Bowlero at noon with Lyle Stumbaugh presiding.

Circus Theme For Ice Show

Circus nostaglia and astrological forecasts provide the inspiration for lively production numbers in the 31st edition of Ice Capades, which will play May 18-23 at the San Diego International Sports Arena.

Featuring the skating artistry of champions like Tim Wood, Linda Carbonetto and Tommy Litz, the Ice Capades has been called the most contemporary ice spectacular ever presented. This is the show's premiere San Diego engagement.

The opening number is "Life is a Three Ring Circus," an original musical fantasy which features circus thrills of the past, present and future.

"Legend of Frozen Time" is a delightful fairy tale production set in a small Russian village.

The show's entire second half is devoted to the mystical world of astrology. The featured skaters and chorus explore characteristics of the 12 signs of the Zodiac.

The grand finale unites the cast in a colorful "Tribute to the Age of Aquarius."

Performances are scheduled at 8 p.m. May 18, 19, 20 and 21: at 11 a.m., 3:30 p.m. and 8:30 p.m. on May 22 and at 1 and 6 p.m. on May 23.

Tickets are $5.50, $5, $4 and $3.

Aztecs To Test Win Streak

Riding high on the crest of a winning streak which has seen it win the last five outings, San Diego State's track squad will conclude dual meet competition this Saturday by hosting UC Santa Barbara and Cal State Fullerton.

Scheduled for Sportsman Oval on campus, the meet will begin at 11:30 a.m. with the first running event at 12:15 p.m.

The Aztecs, 6-3 on the season, will be shooting for their third consecutive 8-3 record under coach Dick Wells. State whipped both squads easily last season, topping UCSB 99-46 and trouncing Fullerton 131-23.

"It should be an excellent meet as there will be plenty of competition in the running events," commented Wells. "Fullerton is strong in the distances and Santa Barbara's strength lies in the sprints so we'll have to be ready all the way around.

"If there's a weakness on either team it's in the field events," continued Wells. "Neither team is very strong in this area so we should be able to make up any lost points here."

Top man for Fullerton should be junior Mark Covert. A JC transfer from LA Valley, Covert won the 1970 NCAA College Division cross country title and captured the state JC two-mile title before leaving Valley.

The Titans also have a couple of good distance men in Tim Tubb and John Casso and a trio of 190-foot javelin throwers in Brad Powell, Paul Cox and Jim Haynes.

Santa Barbara's' strength should come from sprint men Alan Lee (9.8), David Moch (21.6) and Wayne Snyder (47.8).

The Gauchos also boast hurdlers Carey Williams (14.9) and Roger Vignocchi (53.6) as well as distance runners Ted Bechtel (4:10.2) and Jeff Berryessa (9:14.6). UCSB also has defending Pacific Coast Athletic Association javelin champ John Tobin (228-5), but he's currently on the "doubtful" list.

San Diego enjoyed a very profitable trip to Walnut last week for the annual Mt. SAC Relays. Arnie Robinson had a tremendous wind-aided 26-8 long jump while Dave Matheny broke a pair of distance records. Matheny bested Roger Friend's 1969 six-mile mark of 30:01.8 with a 29:50.6 clocking during the course of the 10,000-meter run. Dave's final time of 30:49.6 broke Juan Hernandez's 1968 time of 31:05.2 in that event.

'Sheep on The Runway' Starts Last Week of Run

By Lynn Jones

If one would like to know what can go on in a foreign country when the U.S. arrives, one should see Art Buchwald's "Sheep On The Runway." If one wants to know the ingredients for "chaos," its contents are an American Ambassador, who is worried about being stuck in a country that nobody ever heard of; his wife, who keeps in touch with all of the New York Department stores and who is chairman of the committee for Birth Control for all the women; a daughter, who is all for student power; a reporter, who seems to have E.S.P.; a colonel, who comes equipped with an artillery catalogue; a government man, who comes equipped with a reform program; and a native servant, who really works for the CI.A.

Lynn Jones

This play makes fun of the bumbling bureaucrats who somehow become entangled in an Asian conflict, which in turn makes for a very funny comedy. This is a play where a person can state an opinion and it will lead to two overthrows of the government. "Sheep On The Runway" is a fast moving play with lots of action. The conflict between characters is hilarious.

This two-act play takes place completely in the living room of the United States Embassy in the Kingdom of Nonomura, a remote monarchy in the Himalayas. The director is Tyler Winn. Setting and costumes were designed by Peggy Kellner. Producing Director is Craig Noel.

This is the last week to see "Sheep On The Runway" at the Old Globe Theatre. It will close May 2. It can be seen at 8 p.m. on Thursday and Sunday; at 8:30 p.m. on Friday and Saturday; and the Sunday matinee at 2 p.m. Tickets are $3, $2.50, $2, and $1.50. For more information call 239-2255.

The cast includes John Ellsworth as Ambassador Raymond Wilkins; Ellen Drexler, Martha Wilkins; Dennis Mehaffey, Sam; Mable Sheldon, Holly Wilkins; Jonathan Dunn-Rankin, Joseph Mayflower; Harris Evans, Fred Slayton; Alexander J. Alongi, Prince Gow; Charles Knowlton, General Fitzhugh; Byron Teegarden, Edward Snelling; Don Donnelly, Colonel Num.

It is Christmas 1183, Henry II, King of England and half of France, brings together at his Chinon castle, his wife Eleanor of Aquitaine, imprisoned in Salisbury Tower for a decade; his three surviving sons, Geoffrey, Richard and John; his mistress Alais, and Alais' brother Philip, the young King of France. Henry has gathered those closest to him to nominate his successor who will then be asked to marry the beautiful Princess Alais to keep England's power in France intact.

After much coniving and infighting, he exposes his son, Richard, as a degenerate and Geoffrey and John as traitors. He disowns his sons and announces his intention of having his marriage to Queen Eleanor annulled so that Alais can bear him a legitimate heir.

The film features richly textured photography, superbly shot and edited, resulting in an outstanding pictorial history of medieval England. The public is invited and admission is $1 with tickets available at the door. Students with valid identification cards will be admitted for 50 cents.

Mexican Recipes For Homemakers

Cinco de Mayo, the Mexican independence day, will be observed with a special noontime homemaking show for working women Wednesday at San Diego Gas & Electric Co., 104 N. Johnson ave., El Cajon.

The recipes? Mexican, of course. SDG&E home economist Barbara Jones will present recipes for beef burritos, Chicken tortilla casserole and California fondue.

The presentation will be conducted in the utility firm's auditorium from 12:15 to to 12:45 p.m. and is open to the public.

In addition to preparing the three dishes step by step, Mrs. Jones will demonstrate the use of appliances and will give other useful kitchen counsel.

The number of veterans taking police, fireman and other "protective service" training under the G.I. Bill increased by 90 percent during fiscal year 1970.

Euterpe Chorus Concert Scheduled For Sunday

The Women's Committee of the Grossmont Community Concert Association will present its annual Euterpe Chorus Concert at 3 p.m., Sunday in the Fine Arts Lecture Hall. A reception, hosted by the Del Garden's Women's Committee, will be held after the concert in the college's faculty dining room for all guests.

The Euterpe Chorus was formed in 1960 by the Women's Committee of the Grossmont Community Concert Association which continues to sponsor the group. Mrs. Gilbert Harelson, of La Mesa, founder and director of the chorus since it was formed, will lead the 22-voice group in its Sunday afternoon concert.

Mrs. E. H. Curriden, of El Cajon, who serves as assistant director and accompanist for the group, will also play Chopin's "Nocturne in E Flat." Other program highlights are a mother-daughter duet of Mrs. M. E. Windham and Mrs. Margaret Williams who will sing Romberg's "Will You Remember" and two selections by contralto Mrs. Charles Ballard.

Special features of the concert will include Mr. and Mrs. David Oldham singing the solo parts of "List! The Cherubic Host," by Gaul, and a tribute to President Lincoln, narrated by Mrs. Fred Ward, who will be accompanied by sons Worth and Brian on the trumpet and drums, as well as the entire chorus.

The chorus will perform a varied program ranging from the current favorites "Raindrops Keep Fallin' On My Head," by Bacharach and "Somewhere my Love," from the film "Dr. Zhivago," to spirituals, folk songs and the more serious, "So Dim With Tears," from a Motet by Haydn.

The public is invited to enjoy an afternoon program of vocal selections. There is no charge for admission.

The work will call for construction at four intersections on Grand ave., in Escondido. Arrow Electric submitted the low bid of four bids received, and will be allowed 60 working days to complete the project.

Concert Set At Grossmont

Grossmont College Department of Music will present a concert by the 65-piece college concert band under the direction of Charles MacLeod, at 3 p.m., May 2, in the gymnasium.

After a short intermission, the band will return to play prelude from "Die Meistersinger," by Wagner; "Feast Day in Seville," by Albeniz and "Finale from Symphony No. 4," by Tschzikowsky. The band will close the concert with "On the Mal March," by Goldman.

Child Protection Experts In Tuesday Lunch Meeting

The Child Protection Board of San Diego County will pose the question, "How Safe Is Safe?" in child molestation prevention, at a luncheon meeting of educators, law enforcement agency representatives, other professionals, and parents at noon Tuesday at the Town and Country Hotel.

Dr. Erven Brundage, an assistant superintendent of the chairman of the Child Protection Board, said the event, which is open to the public, will feature a panel discussion of the problem led by Municipal Court Judge Bruce Iredale, who, Brundage said, is one of the best qualified authorities in the field.

Other panelists will be Dr. Harry B. Woods, a child psychiatrist; Mrs. Kathleen Lochtefeld, family life education counselor with the San Diego Unified School District; Mrs. Bernice Slunaker of the juvenile division, San Diego Police Dept.; and Dep. Dist. Atty. Nicholas Kasimatis, all noted for their expertise in dealing with varying aspects of child molestation in San Diego county.

Reservations may be placed with Mrs. Louise Ruth, secretary of the Grand Jury, in the county courthouse.

Organization of a County-wide water-supply was started with the formation of the San Diego County Water Authority in June, 1944.

3 before Judge Franklin B. Orfield. The plaintiff claims in his suit that his place has been shut up tight since his nude dancer, Christrine Ann Byerly, 22, of San Diego, was arrested on April 9 for her dancing.

The basis for the action, the suit alleges is that the ordinance is a violation of the first amendment because it restrains freedom of expression.

Dog Killed By Cycle

Dear Sir:

Our dog, "Man's best friend", was killed Sat., April 24 by a Triumph motorcyclist. Thanks to a passerby, who cared, we have the license number.

It's been a very sad and quiet weekend for our family. She was a very loving and warm animal. Our eyes still fill with tears when we talk about all the things she used to do that we will miss.

I realize she shouldn't have been out, but what is upsetting is that the motorcyclist didn't have the decency and concern to stop after hitting the dog.

I wonder how many people who have killed or will kill a dog on the street realize that it's not just "a dog" to the family that loved and cared for the animal.

Thank you for your concern.

Editor:

It has been noticed that the teachers of our Grossmont High School District would like a salary increase. I pose these questions to the taxpayers of this school district. Did you notice during the recent campaigns for the board of trustees the quantity and size of the ads, billboards and posters that appeared in our community? Many of these ads, billboards and posters were paid for by the Grossmont Education Association, your teachers. If our teachers can afford to give out of pocket to such an expensive campaign why do they need a salary increase?

Do you feel if they can make contributions like this are they really hard up and in need of a salary increase? If our teachers do obtain a salary increase maybe during the next election and campaign for school board trustee they will sponsor live TV commercials.

Chief's Bar-Pal Is Girl Robber

SAN DIEGO (CNA) — A Lemon Grove woman found guilty of first degree robbery was sentenced Monday in Superior Court to three years to life in state prison. She has been in the county jail since her arrest on Jan. 5.

Dorothy Louise Gray, 36, of 1979 El Prado st., was convicted on March 26 of robbing a Navy chief petty officer that she and a girlfriend met in a San Diego bar. The chief told police the women drove him from the bar in their car and one bit him on the face and the other hit him over the head. He said they stole $100 dollars from him.

The Gray woman was located through an auto license number. Her companion has not been identified.

Judge William A. Glen ordered the sentence to run concurrent with the term the defendant is on parole for, which was a Long Beach assault with a deadly weapon conviction. She served two years on that and was released last year.

District Hears Budget Report

(Continued from Page 1)

nolds said, is a reserve sum of $184,000, which is more than $100,000 less than last year's reserve.

Reynolds noted that the budget also allowed only $50,000 in Public Law 874 funds, which is about half of what the district is receiving this year under the measure. He added that there are several impact aid districts who are now working to protect the Public Law 874 funds which are expected to be reduced drastically.

Superintendent Byron Netzley told the board that enrollment this year is about 100 students less than lat year and about the same as ten years ago.

Even so, Netzley said, the school district is now working at its capacity for the facilities.

It is expected that, if subdivisions that are being considered are approved, more facilities would be needed, which would put a severe strain on the budget.

The board is expected to consider the budget at each of four regular board meetings between now and June 30, when the preliminary budget must be filed.

'Day in Court, U.S.A.' To Be Marked Saturday

May Day — May 1 — was once a powerful propoganda tool of the communist party and is being up staged.

The bench and the bar — and some other mighty fine patriots — have all but smothered out the propaganda value by choosing that day to be "Law Day USA".

Law Day USA is Saturday.

On that day people may go to a court of their choice and chat amiably and informally with lawyers and judges. Locally, the El Cajon Judicial Court will be used for that purpose from 10 a.m. until noon.

The program is sponsored by the San Diego County Bar Association and many lawyers and judges will participate. They'll discuss with citizens such matters as Law and Poverty, Traffic Violations, Marriage Disolution and Unwed Mothers, Wills and How to Avoid Probate, Disorder and Dissent, Youth and the Law, Personal Injury and Accidents, Small Claims and Criminal Law.

Many attorneys will be making speeches. Victor B. Walton, a lawyer who lives in La Mesa, will speak to 7th graders at Spring Valley Junior High school on Juvenile Probation matters Friday.

The public is also invited to the Probation Department in the county courthouse on Law Day.

On Friday, U. S. Senator Alan B. Cranston will be speaker at a luncheon at El Cortez hotel at which more than 1,000 persons are expected.

The whole week has been set aside as Law Week during which professional and social activities are programmed.

This is the second year for Day in Court. Last year it won the American Bar Association's' Award of Merit for the county's best Law Day program. This year Day in Court has been expanded to include courthouses in El Cajon, Chula Vista and Oceanside.

Military law personnel are co-sponsors of Law Week.

Specially styled, specially priced Mustang and Torino at your Ford Dealer's now.

Mustang...with a racy look you've never seen on our hardtop before.

You take a classic Mustang Hardtop. Add a sports car hood—NASA-type scoops and all. Dual racing mirrors. Color-keyed Spoiler bumper. A unique grille with sport lamps. Brighten the sides with Boss-tape stripes. Wide tires with special trim rings. Then cut the price of all the extras and you're home.

Spring won't last forever. Neither will your Ford Dealer's Special Spring Values.

Torino sports an all new vinyl halo roof and other extras at a very special price.

Take our beautiful Ford Torino. Put new styling accents on the roof, the wheel covers, the sides, the doors, the upholstery. Add lots of other luxury touches for a very different look. But underneath, it's the same mid-price, mid-size Torino that's big enough to seat six, small enough to handle and park easily. See the new spring Torino and the 14 other Torinos at your Ford Dealer's now.
